

January 5th-7th, 2021 | Beijing, China

# GIPS 2021

Global Image Processing Symposium

# CALL FOR PAPERS

## Topics

- Sensing, Representation, Modeling, and Registration
- Synthesis, Rendering, and Visualization
- Interpolation, Super-resolution, and Mosaicing
- Compression, Coding, and Transmission
- Color, Multispectral, and Hyperspectral Imaging
- Document Analysis and Processing
- Image & Video Analysis and Segmentation
- Interpretation and Understanding
- Detection, Recognition, and Classification
- Computational Imaging
- Restoration and Enhancement
- .....

## Important Dates

Submission Deadline: **November 20th, 2020**  
 Notification Deadline: December 05th, 2020  
 Registration Deadline: December 15th, 2020

## Proceedings

Accepted and presented papers will be published into the conference proceedings, which will be online and indexed by **El Compendex and Scopus**.

## Committee

### • Advisory Chairs

Prof. Phuoc Tran Vinh, University of Information Technology, Vietnam

Prof. Hieu Trung Huynh, Industrial University of Ho Chi Minh City, Vietnam

### • Conference Chairs

Prof. Pham The Bao, Sai Gon University, Vietnam

Prof. Genci Capi, Hosei University, Japan

### • Program Chairs

Prof. Doo-Hwan Bae, KAIST, Korea

Prof. Ly Le, International University - Vietnam National University, Vietnam

Prof. Thuong Le-Tien, Hochiminh City University of Technology, Vietnam

Prof. Paolo Terenziani, DISIT - Universita' del Piemonte Orientale, Italy

### • Publicity Chair

Dr. Amir H. Alavi, University of Pittsburgh, USA

## Submission

Online submission system:

<http://confsys.conf.org/submission/gips2021>

Abstract format download:

[http://gips.net/files/Template\\_Abstract.doc](http://gips.net/files/Template_Abstract.doc)

Full Paper format download:

[http://gips.net/files/Template\\_full%20paper.doc](http://gips.net/files/Template_full%20paper.doc)
